

City of Tucson Legacy Business Nomination Form

The purpose of the Legacy Business Program is to recognize longstanding, community-serving businesses who contribute valuable cultural assets to the City.

A business will be determined to be a Legacy Business if it meets the following criteria:

1. Independently owned, for-profit business in continuous operation in Tucson for at least 25 years (businesses started in Pima County and later annexed into the City are eligible);
2. Business has contributed to the community's history and/or identity; and
3. Owners are committed to maintaining the defining features of the business.

If you know a business that fits these characteristics in your neighborhood, please use this form to nominate them as a legacy business. One business per form. Email completed form to businesshelp@tucsonaz.gov.
